Let's Sing Together

We build better family lives together

About Family Lives

- We know that the right support at the right time makes all the difference.
- Family Lives provides targeted early intervention and crisis support to families who are struggling.
- The issues we support families with include debt, emotional and mental health, family breakdown and challenging relationships and behaviour.

About Family Lives

- Last year alone we supported 36,000 callers to our helpline, 2.5 million web users, and around 6,500 adults and young people through community services.
- Our volunteers are at the heart of Family Lives, donating 18,045 hours last year to support families.

Our early years work

- Dedicated website section on babies, toddlers and early years development, including our singing videos
- ParentChild+ a home-learning programme aimed at vulnerable families where the child is at risk of falling behind
- Outreach in Westminster, Mobile Play in Bexley

Our Froebel project

- Short, accessible videos to promote singing with your baby or young child, based on Froebelian Principles
- 12 videos featuring real parents and their children
- Shows parents how singing benefits bonding with baby, and brain and language development

Our Froebel project

- Videos feature tips on how singing and movement helps
- Shows parents interacting with their child, demonstrating actions and helping their child to do them
- Demonstrates the enjoyment children experience when singing and moving
- Uses traditional songs, and demonstrates other cultures and languages
