

FROEBEL TRUST PhD BURSARY HOLDERS - RESEARCH ACTIVITY AND TRAVEL GRANTS

- 1. The Froebel Trust has introduced a Research Activity Grants Fund to support the development of our PhD bursary holders.
- 2. Attending conferences, study visits and presenting papers in the UK and internationally are all critical to the development of our PhD bursary holders, but the Trust is aware that they can present a financial challenge. A small fund has been introduced to support such development.
- 3. Conference attendance can include travel to and from the conference, accommodation and subsistence while attending the conference and the conference registration fee. Applications may be made at any time and may be for up to £1000.
- 4. Applicants are required to apply on the application form and to provide an abstract of the paper and details of the nature of the conference and its significance to their research.
- 5. Please note that this is a small fund and the Trust reserves the right to refuse applications.
- 6. To apply please submit your application form, supervisor's comments and abstract where relevant to oksana@froebeltrust.org.uk
